

12. The terms “and” and “or” shall be construed either conjunctively or disjunctively as necessary to bring within the scope of this request any information which might otherwise be construed to be outside its scope.
13. All terms not defined herein shall have their ordinary meaning, unless such terms are defined in the CWA, 33 U.S.C. §§ 1251 et seq., or in the regulations found at 33 C.F.R. parts 323 and 328, in which case the statutory or regulatory definitions shall apply.

Questions

1. Identify and describe all “work activity” conducted at the “Site” during the last five years. For each discrete activity, include in your description the following information:
 - a. location of the work activity (by legal description, survey, map, etc.);
Asked and answered in file reference NWS-2015-894
 - b. approximate commencement and completion dates of the work activity;
Asked and answered in file reference NWS-2015-894
 - c. approximate acreage, linear feet, height/depth disturbed;
Asked and answered in file reference NWS-2015-894
 - d. approximate volume (cubic yards), linear feet, and area (acres) of dredged and/or fill material discharged;
No dredging or fill activity conducted
 - e. identify the purpose and need for the work activity;
Asked and answered in file reference NWS-2015-894
 - f. identify the person(s) authorizing the work activity;
James Thompson
 - g. identify the person(s) performing the work activity;
James Thompson
 - h. identify the person(s) receiving payment for the work activity;
No payment involved.
 - i. identify the person(s) providing payment for the work activity and the amount paid; and
No payment involved.
 - j. identify the machinery and equipment used to perform the work activity and identify their ownership and whether the machinery or equipment was rented by you or operated by another person authorized by you.
 - Specific activities include: 1) trenching of channel; 2) armoring of channel; 3) placement of log groins; and 4) other subsequent activities
No machinery or equipment used. Armoring and removal work done by hand.
2. Define on a map or survey of the Site all locations where any dredged and/or fill material was placed and where any other work activity has taken place. On the same map delineate, to the extent known, the wetland area and the OHWM of Carr Inlet.
Asked and answered in file reference NWS-2015-894

ENCLOSURE 2

STATEMENT OF CERTIFICATION

James E. Thompson

I certify that the foregoing responses and information submitted were prepared under my direction or supervision and that I have personal knowledge of all matters set forth in the responses and accompanying information. I certify that the responses are true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment.
